The activities are divided into 4 areas of learning. Choose a minimum of one activity to complete each week. You must choose at least one activity from each column during the term. After that the choice is yours.

- To help you organise your homework, it is a good idea to do a little every day. You can spend as long as you wish, but around one hour a week should be enough for most activities.
- It is helpful if an adult, brother or sister helps you, but please do the work yourself.

Expectations.

1. Written work must be completed in pencil only.
2. Cross out mistakes using a ruler.
3. You decide how to present your work, so be creative!
4. Homework books must be handed in by Friday each week.
5. Homework will be shared and celebrated each week.

At the end of each term, the following certificates will be awarded:

Bronze certificate for 10 quality pieces of homework.

Silver certificate for 20 quality pieces of homework.

Gold certificate for 30 quality pieces of homework.

There will also be special **Homework Heroes** certificates awarded to one child from each class at the end of each term, from a range of ability levels. This award will recognise outstanding effort and creativity as well as presentation.
